PROFESSIONAL PROFILE

Bello Muhammad Jajere is a Lecturer, Researcher, and Linguist with over a decade of professional experience in teaching courses such as Use of English, Seminar in Midwifery, and Research Methodology, alongside extensive roles in academic administration. His areas of expertise span language structure, communication, sociolinguistics, and applied linguistics, with a strong and growing interest in indigenous language documentation and linguistic pragmatics.

He is currently pursuing a Doctor of Philosophy (PhD) in Linguistics at Bayero University, Kano, with a specialised research focus on Artificial Intelligence–based translation and its implications for understanding, documenting, and processing African languages, particularly within multilingual communication contexts.
