Your transfer has been successful and the beneficiary's account will be credited. However, this does not serve as confirmation of credit into the beneficiary's account. Due to the nature of the internet, transactions may be subject to interruption, transmission blackout, delayed transmission and incorrect data transmission. The Bank is not liable for malfunctions in communications facilities not within its control that may affect the accuracy or timeliness of messages and transactions you send. All transactions are subject to verification and our normal fraud checks.
